Annie, I have a trial coming up next week on Thursday the 17 of March in Wareham District Court where Stacey did the initial testing and you the confirmatory testing I believe.

The drug cert numbers are from [REDACTED] I am sending out the summonses late and will fax them up to you today. I believe Stacey already left the office.

You may be tied up in other courts on that date and I'll touch base the day before on your availability. If you know now you definitely can't be here on that date can you let me know?

Thanks and sorry for the short notice.
